FAQ WANT TO HELP US HOST AN EVENT?

Can Anyone Host an Event?	Yes! Anyone who attends and is a Queer parents is very welcome to host an event! All the meetups are volunteer led and we hope that anyone who attends is willing at some point to help host an event.
Who Will Help Me?	We have a core planning team who will help! We have a step by step guide, contacts, can help with ideas and even on the day. You're never expected to just do this alone and there will be other parents who chip in
Do I Have to Spend Money?	Hosting a great event can be totally free! We often ask for donations of materials in our whatsapp group, or we come up with DIY creative ideas that are cheap and cheerful. A great meetup doesnt have to cost anything more than elbow grease.
What is The Time Commitment?	There is some time to come up with an idea, design a flyer and do some promo on whatsapp and facebook. On the day there is set up and clean up time. We expect this to be about 3 hours prep plus the day.
How Do I Sign Up?	Contact us through the E17 Whatsapp group or email events@gaybourhood.london
Who Runs This Meetup?	We are totally volunteer led! This was started by SuMay, Ruth joined to help and since then Cello and many other parents who value having a meeting place for queer parents. But we can't do it all alone! Please do volunteer to host an event.
